

Central Intelligence Agency
Office of the Deputy Director for Intelligence

21 March 1986

NOTE TO: Carroll L. Hauver
Inspector General

SUBJECT: IG Study of DI/EURA

George Kolt, NIO/Europe, will take over as Director of EURA around the first of June. George has suggested that we do an IG study of EURA to correspond roughly with the changeover of office leadership. I, too, think this is a good idea and would appreciate your pushing ahead with such a study if you can fit it into the schedule.

Not knowing what your schedule may look like, I have not discussed the possibility of an IG study with the existing EURA leadership. If you decide to go ahead, let me alert them.

John L. Helgerson
Associate Deputy Director
for Intelligence
